

On May 2, 2026, we will host our Draw Down event, where participants purchase \$100 tickets for a chance to win the \$10,000 grand prize. Throughout the evening, ticket numbers will be drawn and eliminated one by one until only one remains. Our goal is to sell 300 tickets.

The event will take place at the Ingalls Harbor Pavilion in Decatur and promises an exciting night of entertainment and fun. Guests will enjoy a cash bar, live music from the band *Juice*, dancing, and great food. We'll also watch the Kentucky Derby together and award prizes to the winners.

As the drawdown narrows to the final four tickets, those remaining participants will have the option to split the \$10,000 jackpot or continue the drawing until a single grand prize winner is declared.

Join us for an unforgettable evening of excitement, fellowship, and the chance to win big!
